

Service After the Sale

SERVICE

Our fully equipped 8 bay shop is staffed by factory trained technicians specializing in electrical, A/C and wheelchair lifts. From repairs to preventative maintenance to customization, we do it all. Arcola has Authorized Warranty Sites conveniently located throughout New York and New Jersey to provide local support. Also two mobile service trucks are on the road each day to support our residential customers.

PARTS

With over a quarter million dollars of inventory, we stock parts for all makes and models of buses and bus components including Air Conditioning and Wheelchair Lifts and provide same-day shipping of in-stock parts – always at competitive prices.

FINANCING

After you select the equipment that fits your particular needs our affiliate, Trans Capital Resource Group, will assist you in determining the lowest cost of ownership. We can structure a finance or leasing plan suited to your needs.

LET US HELP YOU

Our headquarters are conveniently located in the NJ Meadowlands, just minutes from NYC. Please call us to schedule an on-site demonstration.
